

# CURRICULUM VITAE

**Dr. Satej Janorkar**  
**MD DNB (Cardiology)**  
**Cardiologist**

**E-mail** : [satejjanorkar@gmail.com](mailto:satejjanorkar@gmail.com)

**Designation** : Consultant Cardiologist

**Professional Qualifications** : MBBS MD DNB (Cardiology)

**Fellow in Paediatric Cardiology, Melbourne University, Australia 1995-1997**

**Fellow in Interventional Cardiology, Rouen University, France 1997-1999**

**Fellow of Cardiac Society of India (FCSI) 2005**

**Fellow of European Society of Cardiology (FESC) 2014**

## **Medline Indexed Publications**

1. **Janorkar S**, Goh T, Wilkinson J. Related Articles Transcatheter closure of patent ductus arteriosus with the use of Rashkind occluders and/or Gianturco coils: long term follow up in 123 patients and special reference to comparison, residual shunts, complications and technique. **Am Heart J. 1999 Dec; 138(6 Pt 1): 1176-83.** PMID: 10577450 [PubMed - indexed for MEDLINE]
2. **Janorkar S**, Goh T, Wilkinson J. Related Articles Transcatheter closure of ventricular septal defects using the Rashkind device: Initial experience **Catheter Cardiovasc Interv 1999 Jan; 46(1): 43-8.** PMID: 10348565 [PubMed - indexed for MEDLINE]
3. Janorkar S, Koning R, Eltchaninoff H, Andres H, Lavoinne A, Cribier A. Related Articles Relation between serum cardiac troponin I values and severity of clinical, electrocardiographic and quantitative angiographic features in unstable angina. **Indian Heart J. 1999 jan-Feb; 51(1): 31-4.** PMID: 10327775 [PubMed - indexed for MEDLINE]
4. Cribier A, Eltchaninoff H, Koning R, Rath PC, Arora R, Imam A, El-Syed M, Dani S, Derumeaux G, Benichou J, Tron C, **Janorkar S**, Pontier G, Letac B. Related Articles. Percutaneous mechanical mitral commissurotomy with a newly designed metallic

valvulotome : immediate results of the initial experience in 153 patients. **Circulation. 1999 Feb 16; 99(6): 793-9** PMID: 9989965 [PubMed - indexed for MEDLINE]

5. Koning R, Chan C, Eltchaninoff H, Tron C, Janorkar S, Gupta V, Cribier A. Related Articles Primary stenting of de novo lesions in small coronary arteries: a prospective pilot study **Cathet Cardiovasc Diagn. 1998 Nov; 45(3): 235-8; discussion 239** PMID: 9829878 [PubMed - indexed for MEDLINE]
6. Rocket AF Steering Committee/Rocket AF Investigators Rivraroxartan versus Warfarrin in Nonvalvular Atrial Fibrillation. NEJM 2011; 365:883-89
7. Heart failure case study(SVV Guided fluid therapy in CHF) Edwards Life Sciences LLC 2008 800.424.3278. [www.edwards.com](http://www.edwards.com)

#### **International Conference Presentations** (Published by Futura publications, New York)

1. Cardiac Society of Australia & New Zealand, Brisbane 1996
  - Initial experience with Transcatheter closure Muscular Ventricular Septal defects in children.
  - Ongoing experience with transcatheter closure of patent Ductus Arteriosus
2. 2<sup>nd</sup> World Congress in Paediatric Cardiology, Honolulu, 1997
  - Experience with Transcatheter Balloon Dilation Extracardiac Conduits in Pulmonary Position
  - Ongoing experience with Transcatheter Closure of Muscular Ventricular Septal Defects.
3. European Congress of Cardiology, Vienna, 1998
  - Immediate and mid-term results of Long Stent implantation in long de novo lesions: A quantitative coronary angiographic study.
  - Haemostasis after Percutaneous Transcoronary Angioplasty: Comparison between manual compression and Percutaneous closure by Perclose Device.
4. Associate faculty in TCT, Washington 2007 & 2011.
5. Chairperson, update on ACS in TCT-AP, seoul, 2016.

#### **Other Publications**

- Un Nouveau Traitment De L'embolie Pulmonaire Severe: La Thrombectomie Rapide Percutane Par Angiojet ( La Lattre De La Thrombolyse: Paris) 1997
- Evaluation D'une Nouvelle Technique Pour Le Traitment Du Retrecissement Mitral Serre: La Commissurotomie Percutane Par Dilateur Metallique. A Propose D'une Serie De 192 Patients (Les Archives Des Maladies Du Coeur Des Vaisseaux) 1998
- Resultats De La Commissurotomie Mitrale Percutane Par Dilatateur Metallique Chez Des Patients Aux Antecedents De Commissurotomie (Les Archives Des Maladies Du Coeur Des Vaisseaux) 1998

### **Active Participation in Interventional Workshop**

- Interventional meet, Cardiac Society of Australia and New Zealand Brisbane-1996
- IIIrd Interventional Workshop, October 1997, Rouen University Hospital, Rouen, France.
- Mitral Commissurotomy Workshop, May 1998, Rouen, France
- Interventional Workshop, world Congress of Cardiology, Sydney-2002.
- CRT Workshop, Chiangmai, Thailand 2006
- Rotational Atherectomy and IVUS, Miazaki, Japan 2013

### **Memberships**

Cardiological Society of India

Cardiac Society of Australia and New Zealand

European Society of Cardiology

### **Academic Distinctions:**

1. Stood Third in the Merit of University in First MBBS
2. Stood Fifth in the Merit of University in MD(Medicine)
3. Conferred the Honour of Best Student of Academic Year 1984-85.
4. Stood First in the Merit of National Boards in Cardiology, June 1994
5. Past president of Cardiac Society of India, Pune Chapter 2009-10
6. Guide for Diplomate of National Board in Cardiology, Since 2006.

### **RESEARCH ACTIVITIES:**

1. ROCKET–AF:Principal Investigator - 2007-2009  
International trial by Johnson & Johnson on patients with Atrial Fibrillation to compare Rivaroxaban Vs Warfarin
2. SHIFT Study : Principal Investigator 2008-2009. : International trial by Servier, France on patients with congestive cardiac failure to compare Ivabradine Vs Placebo.
3. OPAL-2: Principal Investigator – 2009 International trial by Astellas-Pharma on patients with non valvular a trial fibrillation to compare factor xa inhibitor vs. Warfarin.
4. PEACH: Principal Investigator – 2010. International trial by Torrent-International on patients with Diabetic heart failure.
